to THE DISPATCH COMPANY

indice. He raled the whites by using the negroes, or rather endeavored to do it, that he had to do was to signify his pleasure to his favorite "colored troops," and if it was in their power to gratify his wishes or execute his orders they were ready to do so. He caused himself were ready to do so. He caused himself
to be elected to the United States
Senste, and these negro followers felt
that they had a representative man in
that body. He told them to elect as
Governor of Virginia a man who had
and more hard things of them than
and other men living, and they observed.

The State Convention deemed it inexpedience to make the latter a political
question, and therefore this committee
has no suggestion to make in the premises.

By order of the Chairmau,
it a shining illustration of this truth,
which is the convention deemed it inexpedient to make the latter a political
question, and therefore this committee
has no suggestion to make in the premises.

By order of the Chairmau,
it a shining illustration of the Richand order to make the latter a political
question, and therefore this committee
has no suggestion to make in the premises.
